A GERMAN teen accused of sexually abusing a 13-year-old British girl in Turkey was released from jail today as the trial continues.

Several hearings have been held in the trial of the 17-year-old, who was detained after allegedly abusing the girl when they met on holiday in Turkey in the spring.

Lawyer Omer Ayca told reporters that he would appeal the decision to release the boy.

The teenager had been held in custody since April 11.

The case has been followed closely in Germany, where the foreign minister, Frank-Walter Steinmeier, appealed to Turkey to let the boy return home.
