

TJSBA – King’s Cup – Thailand 2013

Our **JET SKI 8** racing fuel has been tested, approved and is recommended by *Franco Dettori* among other JETSKI tuners.

Several tests on engine benches showed a gain of 11 HP compared to AVGAS 100LL and 8 HP compared to the most known ETS’s competitor’s racing fuel for JETSKI, without a special engine mapping done.

JET SKI 8 has also been tested by other Pacific / Asia JETSKI’s tuner, the reaction was “the performance is great... the gain brought by the competitor fuel is nearly doubled with the ETS fuel”: **JET SKI 8 !!!** ”

After testing **JET SKI 8**, *Nicolas Riis* (16 times world champion) told us: “I am very happy with this fuel, as I get a motor increased of 200 rpm with no engine adjustment”.

SPECIAL PROMOTION FOR 2013 KING’S CUP IN PATTAYA:

ETS Racing’s Fuels will promote its **JET SKI 8** racing fuel during KING’s CUP and will support you.

Order your fuel ASAP, fuel will start being dispatched on PATTAYA beach by December 3rd
